Recognition Item(s)

School Board Recognition Month: Leaders for Tomorrow's Texas

Crowley ISD School Board members are "Leaders for Tomorrow's Texas" and we join school districts across the state in celebrating January as School Board Recognition Month. Our trustees are extraordinary volunteers who play a crucial role in our schools and in our community. These public servants attend meetings, study detailed reports, listen to concerns and do the hard work to benefit the students and the community at large. They bring a variety of skills and backgrounds to their task, and they take their responsibilities seriously. And the whole community benefits from their vigilance in providing great schools. Trustees receive no pay for their dedicated efforts. They not only volunteer their time and effort for our local schools, but they also speak up for our system of public education on a statewide level. Each January, we pause in our regular activities to say THANK YOU to these dedicated volunteers. We appreciate their generous sharing of time and energy on behalf of our children and our communities.

No. 8691 Discussion of Districtwide Intruder Detection Audit Report Findings

The Texas School Safety Center recently conducted an Intruder Detection Audit at one or more of our campuses. The state gives school districts 45 days from official notification to enact corrective actions and we took immediate action as a response to the findings. While we are not releasing any sensitive details to the public regarding the audit in open session, a corrective action plan was put into place due to the findings. This audit is conducted as part of Governor Abbott's school safety directives for all school systems to help school districts identify how campuses can improve safety for our children and staff, such as ensuring exterior doors are locked. The audit provides Crowley ISD with an opportunity to create a safer learning environment and is just one of the many actions that we are taking to ensure that our schools are safe.
