Solar Car Challenge Competitors: Solar Eagles

The Solar Education Program provides a safe environment for teams to display their solar cars. Members of the Solar Eagles brought home a third-place trophy after qualifying to compete in the The Solar Car Challenge at Texas Motor Speedway earlier this month. The Solar Car Challenge was established in 1993 to help motivate students in science and engineering, and to increase alternative energy awareness. The Challenge teaches high school students around the world how to build roadworthy solar cars.

The 2024 Solar Car Challenge, hosted by Oncor and Lockheed Martin, is a closed-track event at the world-famous Texas Motor Speedway.

Crowley High School instructor James Schroeder and students were introduced and recognized by the CISD Board of Trustees.

Study Session

Vision 20230 Strategic Design Overview and Planning

As the district enters the final year of Crowley ISD's Vision 2025 Strategic Plan, it is looking ahead to Vision 2030. At the April 2024 School Board meeting, trustees voted unanimously to partner with E2L for facilitation services to ensure we include a wide variety of stakeholders as we develop this community-driven plan. Facilitator Dr. Crystal Cross led the Board through this study session to discuss the strategic design process and timeline, a community survey and strategic design participation.
