Executive Session

The Board of Trustees convened in Executive Session beginning at 6:18 p.m. and returned to open session at 6:34 p.m.

Dr. Mia Hall joined the meeting at 6:19 P.M.

Celebrations / Board Points of Pride**21st Century**

The 21st grant aims to improve student academic achievement and support overall student development. We are so proud that during the month of June, 21st Century students will continue learning to decrease the summer slide. Crowley ISD will provide 25 days of free summer learning which will include weekly field trips, meals, and an opportunity to stay safe and cool. Thank you to all those who make it happen for kids each and every day!

Enrollment Event

On Tuesday, June 4, over 300 families visited Richard J. Allie Middle School to complete the process of joining the Crowley family. Our Enrollment Engagement Event was for anyone enrolling as a new student or returning student to our district. Enrollment documents were notarized on-site, free of charge and families were able to use district computers and get questions answered. Crowley Pride...unified!

Tarleton State University

We are thrilled to have Tarleton State University Fort Worth expanding right here in Crowley ISD's boundaries. With the majority of students — 65% — coming from Tarrant County, Tarleton is creating opportunities for students who want a four-year college experience close to home. This August, the school will welcome its inaugural freshman class and we could not be prouder to have this incredible higher education institution here for our students!

Youth Football Camp

We have many great summer opportunities in Crowley ISD for boys and GIRLS! Coming up students will be able to join Dallas Cowboys offensive lineman and former North Crowley High School standout Tyler Smith for his 2nd annual free youth football camp at the CISD Multi-Purpose Stadium on Saturday, June 22. Registration is required and space is limited, so students are encouraged to save a spot early!

Meadowcreek Elementary School

Tuesday, June 4th was career day at Meadowcreek Elementary and we would like to thank our community members for visiting and speaking to our students about the excellent career opportunities in the future. Thank you to Tarrant County College, the Fort Worth Police Department, the Crowley ISD Police Department and Tarleton State University for exposing our students to a world of possibilities. We would also like to give special recognition to Ms. Chelsea Davis a former Meadowcreek student and CISD graduate who attended representing Ronald McDonald House Fort Worth.

Middle School Mathematics

Crowley ISD strongly believes that all students can learn at higher levels and that is why we are thrilled to launch the Advanced Math Program for every incoming sixth-grade student, starting in the 2024-25 school year. This two-year program is designed to prepare students to enroll in Algebra I by eighth grade. Incoming sixth-grade students in Crowley ISD will be automatically enrolled in one of our advanced math pathways with the option to opt out.

J.A. Hargrave Elementary School

The JA Hargrave talent show on May 31 allowed students and staff to shine bright like stars. Participants prepared 2–3-minute acts which were absolutely amazing. They had 28 students displaying talent which included artists, dancers, singers, a traditional Chinese Dragon Dance, and they even had a contortionist. In Crowley ISD diversity is our superpower and we are proud of the mighty Gators!

Superintendent Report

Mrs. Ruby Batiste, Deputy Chief of Staff, provided an overview of 2024 CISD Summer Programming targeted for elementary school students and Dr. Harold Wright, Deputy Superintendent of Achievement, provided an overview of summer programs available for secondary students.
