DATE 8/29/2024
Quote valid until: 9/28/2024

The following is a quote for Conscious Discipline services. This quote is not a contract or invoice. The services on this quote have not been booked. This pricing is an estimated cost only and is subject to change depending on finalized circumstances of your contract. The pricing below is effective for 30 days from the date of estimate.

On-site coaching and training sessions are 6 hours per day, with a lunch break. On-site training is recommended for groups of up to 150. Virtual consultation is recommended as a one-on-one session with the instructor, or for small groups.

Table with 4 columns: Description, Qty, Unit Cost, Total*. It lists services (training, coaching, consultation, travel), implementation tools (books, e-courses, shipping), and experiences (none at this time), ending with a total of \$75,700.00.

Please note, this training session has not been finalized yet. Before it is officially booked, a contract must be signed. We ask for a minimum of 60 days to accommodate the booking and contracting process. If a request is made less than 60 days prior to the date of the service, we will do our best to accommodate the request, but cannot guarantee we will be able to. All contracts must be signed at least 30 days prior to the date of the service. If the quote is approved or the contract is signed within this 30-day window, a \$550 fee will be added to the total of the contract. In order to send a contract for services, we require written approval of the quote and a complete Contract Request Form. Then, an instructor will be booked for the services. Once the instructor is booked and the contract is signed, the date(s) will be reserved for your organization. Future year prices provided are subject to change to the prices in effect at the time of delivery.

Sales tax will be added to invoice, if applicable. Training costs include instructor expenses. Implementation tools, events and workshops are subject to availability.

WE LOOK FORWARD TO WORKING WITH YOU!
