

February is **Black History Month** and you can celebrate with Crowley ISD as we honor the heritage, histories, cultures and contributions of Black Americans who have positively influenced and given our nation hope.

The theme for 2024 focuses on **African Americans and the Arts.**

African American art is infused with African, Caribbean, and Black American lived experiences. In the fields of visual and performing arts, literature, fashion, folklore, language, film, music, architecture, culinary and other forms of cultural expression, the African American influence has been paramount.

HOUR OF CODE *Sponsored by Frontier*

The **Hour of Code** is a global movement introducing millions of students worldwide to computer science, inspiring kids to learn more, breaking stereotypes and leaving them feeling empowered. During the Black History Bowl, we will have several computer rooms ready for elementary and secondary families to enjoy fun and interactive coding activities.
