# e2L Strategic Design Model

# Beliefs

## We believe...

- A high-quality public education is a human right and is an equalizer for all students.
- District transparency at all levels leads to community support and respect.
- All students deserve a voice and choice in their learning because they learn in unique ways.
- In meaningful relationships in the student learning community.
- In educating the whole child beyond the core academics.
- In building capacity in educators and staff to ensure all students have a meaningful and well-rounded learning experience.

# Learner Outcomes

## All learners will...

- Apply critical thinking, problem solving, creativity and communication skills in every course.
- Participate in real-world authentic experiences in a variety of career choices and areas of interests.
- Be technology proficient while upholding expectations of a digitally responsible citizen.
- Believe they are seen, heard and valued as they positively contribute to a diverse society.
- Be equipped to demonstrate positive social and emotional skills
- Participate in diverse learning opportunities and activities.
- Set and monitor personal learning goals and receive guidance to help them achieve college, career and military readiness.
- Utilize self-management skills to effectively communicate their social, emotional and academic needs.

# Learner Profile

**A learner with a growth mindset...**

- Adapts
- Advocates
- Is Accountable
- Is Aware of Self and Others
- Collaborates
- Communicates
- Inquires
- Perseveres
- Serves Others
- Thinks Critically

# Goals

## Goal 1: Thriving Students

All Crowley ISD students will be equipped with the skills and experiences to thrive today and in the future.

## Goal 2: Engaged Community

Crowley ISD will partner with families and the community to meet the needs of all students and staff.

## Goal 3: Empowered Staff

Crowley ISD will empower all staff to meet the diverse needs of all students.

# Goal 1: Specific Results

**Thriving Students:** All Crowley ISD students will be equipped with the skills and experiences to thrive today and in the future.

- 1.1 Ensure all students experience a safe, secure and nurturing school environment.
- 1.2 Provide a variety of learning and real-world experiences that strengthen academic achievement for success after graduation.
- 1.3 Ensure all students have access to highly-trained professionals who can foster social and emotional development.
- 1.4 Ensure equitable access to district aligned curriculum, instructional systems, resources, and experiences for all students.
- 1.5 Graduate future-ready students.

# Goal 2: Specific Results

**Engaged Community:** Crowley ISD will partner with families and the community to meet the needs of all students and staff.

- 2.1 Create opportunities for students, families and community members to engage and learn together.
- 2.2 Continuously seeks and maintains meaningful partnerships with community members and organizations to enhance the learners' experience.
- 2.3 Engage in consistent, current, and interactive communication that meets the diverse needs of the community.
- 2.4 Ensure a safe, welcoming and engaging environment that fosters a sense of community among our families and staff.
- 2.5 Identify campus liaisons and support them in creating and maintaining relationships with families, community members and organizations.
- 2.6 Ensure financial responsibility and transparency with fidelity to the district's vision.

# Goal 3: Specific Results

**Empowered Staff:** Crowley ISD will empower all staff to meet the diverse needs of all students.

- 3.1 Evaluate and enhance current professional development.
- 3.2 Implement a comprehensive, differentiated program of learning opportunities for all staff.
- 3.3 Equitably and effectively allocate resources across the district.
- 3.4 Create opportunities and awareness for prioritizing staff holistic health.
- 3.5 Enhance professional skills to foster a positive impact across the district.
