## Student Code of Conduct

### Accessibility

If you have difficulty accessing the information in this document because of disability, please contact Anthony Kirchner, Chief of Communications and Marketing, at (817) 297-5800.

### Purpose

The Student Code of Conduct (“Code”) is the district’s response to the requirements of Chapter 37 of the Texas Education Code.

The Code provides methods and options for managing students in the classroom and on school grounds, disciplining students, and preventing and intervening in student discipline problems.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), or expulsion from school.

This Student Code of Conduct has been adopted by the Crowley ISD Board of Trustees and developed with the advice of the district-level committee. This Code provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. It remains in effect during summer school and at all school-related events and activities outside the school year until an updated version adopted by the board becomes effective for the next school year.

In accordance with state law, the Code shall be posted at each school campus or shall be available for review at the office of the campus principal. Additionally, the Code shall be available at the office of the campus behavior coordinator and posted on the district’s website. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Because the Student Code of Conduct is adopted by the district’s board of trustees, it has the force of policy; therefore, in case of conflict between the Code and the Student Handbook, the Code shall prevail.

**Please note:** The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

## **School District Authority and Jurisdiction**

School rules and the authority of the district to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

- During the regular school day and while the student is going to and from school or a school sponsored or school-related activity on district transportation.
- During lunch periods in which a student is allowed to leave campus.
- While the student attends any school-related activity, regardless of time or location.
- For any school-related misconduct, regardless of time or location.
- When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location.
- When a student engages in cyberbullying, as provided by Education Code 37.0832.
- When criminal mischief is committed on or off school property or at a school-related event.
- For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line.
- For certain offenses committed while on school property or while attending a school sponsored or school-related activity of another district in Texas.
- When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
- When the student is required to register as a sex offender

## **Campus Behavior Coordinator**

As required by law, an administrator at each campus must be designated to serve as the Campus Behavior Coordinator. The designated administrator may be the principal of the campus, or any other campus administrator selected by the principal. The Campus Behavior Coordinator is primarily responsible for maintaining student discipline. The district shall post on its website and in the Student Handbook, for each campus, the email address and telephone number of the person serving as campus behavior coordinator. The contact information for each Campus Behavior Coordinator is available on the district's website at [www.crowleyisdtx.org](http://www.crowleyisdtx.org) and is listed below:

### **Searches**

District officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and district policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the district's policies at FNF(LEGAL) and FNF(Local) for more information regarding investigations and searches.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there.

### **Reporting Crimes**

The principal or campus behavior coordinator and other school administrators as appropriate shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

## Reporting Bullying

Crowley ISD prohibits bullying on school property, at school-sponsored or school-related activities, or in any vehicle operated by the district. Bullying may include verbal or written expression, expression through electronic means, or physical conduct. Bullying is not tolerated by the district, and any student or parent of a student who believes that the student or another student has experienced bullying or that a student has engaged in bullying is encouraged to immediately report the incident. Retaliation against anyone involved in the reporting process is a violation of district policy and is prohibited.

Students or parents may report an alleged incident of bullying by completing the [online bullying reporting form](#). **This form may be found on the district website by clicking the Parents and Students tab and can be found in the *Bullying Prevention* section.** Students or parents that need more help with online submission may contact the campus administration for the necessary support to complete the online incident report form or contact the District Student Services Department.

More information about the district's bullying policy can be found at [Board Policy FFI \(PDF\)](#) or the campus administration office.

### Investigations of Bullying Reports

#### **Please note that after submission of the bullying report, the following steps occur:**

- ✓ The Student Services Department will forward the report to the appropriate campus to begin the investigation.
- ✓ Parents of the alleged bully and alleged victim **will receive a written notification of the alleged bullying report within three school days** of the report.
- ✓ Administrators will **follow a consistent investigative flow chart** to determine if bullying has occurred as outlined in the Texas Education Code (as shown in the image on the next page).
- ✓ Administrators will **complete the investigation within ten school days** and render a decision in writing to the parents of the alleged bully.
- ✓ For a bullying allegation to be classified as a confirmed case of bullying, the behavior **must meet the definition and criteria for bullying** as outlined in Chapter 37 of the Texas Education Code.
- ✓ . In a confirmed case of bullying, campus administrators will take appropriate action to mitigate future acts of bullying, provide appropriate consequences, interventions, and supports to the involved students and their families.

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act

## BULLYING INVESTIGATION DECISION FLOWCHART

## Reporting Sexual Harassment/Dating Violence (Title IX)

Any student who believes that they have experienced **dating violence, gender based discrimination, sexual harassment, or retaliation** should immediately report the problem to a teacher, school counselor, principal, or other district employee. The report may be made by the student's parents. [See the FFH series of policies for other appropriate district officials to whom to make a report.]

As required by law, the District shall follow the procedures below in Response to Title IX Sexual Harassment upon a report of sex-based harassment, including sexual harassment, gender-based harassment, and dating violence, when such allegations, if proved, would meet the definition of sexual harassment in an education program or activity and against a person in the United States under Title IX. [\[See FFH\(LEGAL\)\]](#)

### Investigation of Title IX Sexual Harassment Report

Allegations of prohibited conduct, which includes **dating violence, discrimination, harassment, and retaliation, will be promptly investigated.** To the extent possible, the district will respect the privacy of the student (FERPA-Family Educational Rights and Privacy Act) However, limited disclosures may be necessary to conduct a thorough investigation and comply with law.

Examples of sexual harassment may include, but are not limited to:

- ✓ Touching private body parts or coercing physical contact that is sexual in nature
- ✓ Sexual advances
- ✓ Jokes or conversations of a sexual nature
- ✓ Other sexually motivated conduct, communications, or contact

Upon receiving a report, the district will:

- ✓ **Determine whether the allegations, if proven, constitute prohibited conduct** as defined by the [FFH series of policies](#). If not, the district will refer to policy FFI to determine whether the allegations, if proven, constitute bullying, as defined by law and [policy FFI](#). If the alleged prohibited conduct also meets the statutory and policy definitions for bullying, an investigation of bullying will also be conducted
- ✓ During an investigation and when appropriate, the district will **take interim action to address the alleged prohibited conduct.** The goal is to remove or at least greatly limit the possibility of interaction between the alleged victim and the accused during the investigation to mitigate possible additional incidents.
- ✓ If the district's investigation indicates that prohibited conduct occurred, **appropriate disciplinary action and, in some cases, corrective action will be taken** to address the conduct. The district may take disciplinary and corrective action even if the conduct was not unlawful.

- ✓ All involved parties will be notified of the outcome of the district investigation within the parameters and limits allowed under the Family Educational Rights and Privacy Act (FERPA).

A student or parent who is dissatisfied with the outcome of the investigation may appeal in accordance with policy [FNG\(LOCAL\)](#).

## Security Personnel

To ensure sufficient security and protection of students, staff, and property, the board employs internal and local police department(s) jurisdictions for School Resource Officers (SRO's). In accordance with law, the board has coordinated with the Campus Behavior Coordinator and other district employees to ensure appropriate law enforcement duties are assigned to security staff. The law enforcement duties of district peace officers are listed in policy CKE(LOCAL). The duties and responsibilities of district security personnel include, but are not limited to, providing daily security for the school facilities and property and ensuring the safety and security of all students, staff, and visitors. The law enforcement duties and responsibilities of school resource officers include but are not limited to safeguarding any person(s) within their jurisdiction along with the property of the school district. SROs are encouraged to engage with students, teachers, staff, and the community to foster school-police partnerships.

However, the timelines for the district's grievance procedures shall be adjusted as necessary to permit the person to address the board in person within 90 days, unless the complaint is resolved before a board hearing.

Aversive techniques are prohibited for use with students and are defined as techniques or interventions intended to reduce the reoccurrence of a behavior by intentionally inflicting significant physical or emotional discomfort or pain to include but not limited to:

- Using techniques designed or likely to cause physical pain. [See policy FO(LOCAL).]
- Using techniques designed or likely to cause physical pain by electric shock or any procedure involving pressure points or joint locks.
- Directed release of noxious, toxic, or unpleasant spray, mist, or substance near a student's face, Denying adequate sleep, air, food, water, shelter, bedding, physical comfort, supervision, or access to a restroom facility.
- Ridiculing or demeaning a student in a manner that adversely affects or endangers the learning or mental health of the student or constitutes verbal abuse.
- Employing a device, material, or object that immobilizes all four of a student's extremities, including prone or supine floor restraint.

## Discipline Management Techniques

- Impairing the student's breathing, including applying pressure to the student's torso or neck or placing something in, on, or over the student's mouth or nose or covering the student's face.
- Restricting the student's circulation.
- Securing the student to a stationary object while the student is standing or sitting.
- Inhibiting, reducing, or hindering the student's ability to communicate.
- Using chemical restraints.
- Using time-out in a manner that prevents the student from being able to be involved in and progress appropriately in the required curriculum or any applicable individualized education program (IEP) goals, including isolating the student by the use of physical barriers.
- Depriving the student of one or more of the student's senses unless the technique does not cause the student discomfort or complies with the student's IEP or behavior intervention plan (BIP).

## Notification

The Campus Behavior Coordinator shall promptly notify a student's parent by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a DAEP, placement in a JJAEP, or expulsion. The Campus Behavior Coordinator shall also notify a student's parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education Code. A good faith effort shall be made on the day the action was taken to provide to the student for delivery to the student's parents written notification of the disciplinary action. If the parent has not been reached by telephone or in person by 5:00 p.m. of the first business day after the day the disciplinary action was taken, the Campus Behavior Coordinator shall send written notification by U.S. Mail. If the Campus Behavior Coordinator is not able to provide notice to the parent, the principal or designee shall provide the notice.

Before the principal or appropriate administrator assigns a student under age 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

## Appeals

Questions from parents regarding disciplinary measures should be addressed to the teacher, campus administration, or campus behavior coordinator, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG(LOCAL). A copy of the policy may be obtained from the principal's office, the campus behavior coordinator's office, or the central administration office or through *Policy On-Line* at the following address: [www.crowleyisdtx.org](http://www.crowleyisdtx.org).

The district shall not delay a disciplinary consequence while a student or parent pursues a grievance.

## Removal from the School Bus

A bus driver may refer a student to the principal's office or the campus behavior coordinator's office to maintain effective discipline on the bus. The principal or campus behavior coordinator must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

Since the district's primary responsibility in transporting students in district vehicles is to do so as safely as possible, the operator of the vehicle must focus on driving and not have his or her attention distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal or the campus behavior coordinator may restrict or revoke a student's transportation privileges, in accordance with law.

## Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

### Routine Referral

A routine referral occurs when a teacher sends a student to the campus behavior coordinator's office as a discipline management technique. The campus behavior coordinator shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for a behavior that violates this Code to maintain effective discipline in the classroom.

### Formal Removal

A teacher **may** also initiate a formal removal in accordance with **Texas Education Code §37.002 (b)(1-2)** A teacher may remove from class a student from class if:

1. The student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach his or her class or with the student's classmates' ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the campus behavior coordinator or appropriate administrator shall send a written notification to the parent/guardian and schedule a conference with the student's parent/guardian, the student, the teacher who removed the student from class and any other appropriate administrator.

At the conference, the campus behavior coordinator or appropriate administrator shall inform the student of the alleged misconduct and the proposed consequences. The student shall have an opportunity to respond to the allegations.

When a student is removed from the regular classroom by a teacher and a conference is pending, the campus behavior coordinator or other administrator may place the student in:

- ✓ Another appropriate classroom.

## Expulsion

- ✓ In-school suspension
- ✓ Out-of-school suspension.
- ✓ Disciplinary Alternative Education Program (DAEP)

A teacher or administrator **must** remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

## Returning a Student to the Classroom

When a student has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, aggravated sexual assault, murder, capital murder, or criminal attempt to commit murder or capital murder, the student may not be returned to the teacher's class without the teacher's consent.

When a student has been formally removed by a teacher for any other conduct, the student may be returned to the teacher's class without the teacher's consent if the placement review committee determines that the teacher's class is the best or only alternative available.

## Out-of-School Suspension

### Misconduct

Students may be suspended for any behavior listed in the Code as a general conduct violation, DAEP offense, or expellable offense.

The district shall not use out-of-school suspension for students in grade 2 or below unless the conduct meets the requirements established in law.

A student below grade 3 or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in Penal Code Section 46.02 or 46.05;
- Conduct that contains the elements of assault, sexual assault, aggravated assault, or aggravated sexual assault, as provided by the Penal Code; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The district shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit conduct violations not listed above instead of out-of-school suspension or placement in a DAEP. The program shall meet the requirements of the law.

Expulsion

## **Process**

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the Campus Behavior Coordinator or other appropriate administrator, who shall advise the student of the alleged misconduct. The student shall have the opportunity to respond to the allegations before the administrator's decision is made.

The Campus Behavior Coordinator shall determine the number of days of a student's suspension, **not to exceed three school days.**

In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense; (See **glossary**.)
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or
6. A student's status as homeless.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and co-curricular activities.

## **Coursework During Suspension**

The district shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension, including at least one method of receiving this coursework that doesn't require the use of the internet.

A student removed from the regular classroom to in-school suspension or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district.

## **Disciplinary Alternative Education Program (DAEP) Placement**

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 6 and secondary classification shall be grades 7–12.

## Expulsion

Summer programs provided by the district shall serve students assigned to a DAEP in conjunction with other students.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (See **glossary**.)
2. Intent or lack of intent at the time the student engaged in the conduct.
3. The student's disciplinary history.
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

## Discretionary Placement: Misconduct That May Result in DAEP Placement

A student **may** be placed in DAEP for behaviors prohibited in the General Conduct Violations section of this Code.

### Misconduct Identified in State Law

In accordance with state law, a student **may** be placed in a DAEP for any one of the following offenses:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Releasing or threatening to release intimate visual material of a minor or a student who is 18 years of age or older without the student's consent.
- Involvement in a public-school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public-school fraternity, sorority, secret society, or gang (See **glossary**.);
- Involvement in criminal street gang activity (See **glossary**.);
- Criminal mischief, not punishable as a felony.
- Any criminal mischief, including a felony.
- Assault (no bodily injury) with threat of imminent bodily injury.
- Assault by offensive or provocative physical contact.

In accordance with state law, a student **may** be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (See **glossary**.) that the student has engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses in Title 5 (see **glossary**) of the Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The campus behavior coordinator **may**, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

## Mandatory Placement: Misconduct That Requires DAEP Placement

A student **must** be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school (See **glossary.**);
- Commits the following offenses on school property or within 300 feet of school property as measured from any point on the school’s real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
  - Engages in conduct punishable as a felony;
  - Commits an assault (See **glossary.**) under Penal Code 22.01(a)(1);
  - Sells, gives, or delivers to another person, or possesses, uses, or is under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision (School-related felony drug offenses are addressed in the Expulsion section) (See **glossary** for “under the influence.”);
  - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony offense; (school-related felony alcohol offenses are addressed in the Expulsion section);
  - Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals; (See **glossary.**)
  - Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure;
  - Engages in conduct that contains the elements of an offense of harassment against an employee under Penal Code 42.07(a)(1), (2.), (3), (7).
- Engages in expellable conduct and is between six and nine years of age;
- Commits a federal firearms violation and is younger than six years of age;
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in the **Expulsion** section of this Code);
- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (See **glossary.**) of the Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
  - The student receives deferred prosecution (See **glossary.**)
  - A court or jury finds that the student has engaged in delinquent conduct (See **glossary.**) or
  - The superintendent or designee has a reasonable belief (See **glossary.**) that the student engaged in the conduct.

## Sexual Assault and Campus Assignments

If a student has been convicted of continuous sexual abuse of a young child or children or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus, and if the victim’s parent or another person with the

## Expulsion

authority to act on behalf of the victim requests that the board transfer the offending student to another campus, the offending student shall be transferred to another campus in the district. If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

## Due Process Conference

When a student is recommended for removal for a DAEP offense: the Campus Behavior Coordinator or appropriate administrator shall schedule a due process conference within three school days with the student's parent/guardian, the student, and an unbiased administrator. The notification of the date, time, and location of the due process hearing will be emailed to the parent on the email listed in Skyward. Due Process Hearings are conducted virtually via Zoom video conferencing unless the parent requests an in person hearing at least 24 hours prior to the scheduled date of hearing. The District may hold the due process conference and make a placement decision regardless of whether the student or the student's parents/guardian attend the conference following notification.

At the due process conference, the Campus Behavior Coordinator or appropriate administrator shall inform the student and parents/guardian of the reasons for the removal and shall give an explanation and present related evidence providing the basis for the removal, and an opportunity for students to respond to the reasons for the removal. Parent and student will receive phone and written notification of the outcome of the due process conference and information on next steps for placement at the District's DAEP at the Crowley Learning Center or for returning to the home campus/class.

## Consideration of Mitigating Factors

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (See **glossary**.)
2. Intent or lack of intent at the time the student engaged in the conduct.
3. The student's disciplinary history.
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, or
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

## Placement Order

After the conference, if the student is placed in the DAEP, the campus behavior coordinator shall write a placement order. A copy of the DAEP placement order shall be sent to the student and the student's parent/guardian.

Not later than the second business day after the conference, the board's designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

## Expulsion

If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code, the placement order shall give notice of the inconsistency.

### **Coursework Notice**

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete a foundation curriculum course in which the student was enrolled at the time of removal, and which is required for graduation, at no cost to the student. The notice shall include information regarding all methods available for completing the coursework.

### **Length of Placement**

The Campus Behavior Coordinator shall determine the duration of a student's placement in a DAEP.

The duration of a student's placement shall be determined case-by-case based on the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The maximum period of DAEP placement shall be one calendar year, except as provided below.

Unless otherwise specified in the placement order, days absent from a DAEP shall not count toward fulfilling the total number of days required in a student's DAEP placement order.

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

### **Exceeds One Year**

Placement in a DAEP may exceed one year when a review by the district determines that the student is a threat to the safety of other students or to district employees.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

### **Exceeds School Year**

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the Campus Behavior Coordinator or the Board's designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (See **glossary**.) that violates the district's Code.

## **Exceeds 60 Days**

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent/guardian shall be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

## **Appeals**

Questions from parents/guardians regarding disciplinary measures should be addressed to the campus administration.

Student or parent/guardian appeals regarding a student's placement in a DAEP should be addressed in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the principal's office, the campus behavior coordinator's office, the central administration office, or through *Policy On-Line* at the following address: [www.crowleyisdtx.org](http://www.crowleyisdtx.org).

Appeals shall begin at Level One with the campus principal.

The district shall not delay disciplinary consequences pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

## **Restrictions During Placement**

State law prohibits a student placed in DAEP for reasons specified in state law from attending or participating in school-sponsored or school-related extracurricular activities.

A student placed in DAEP shall not be provided transportation unless he or she is a student with a disability who is entitled to transportation in accordance with the student's individualized education program (IEP) or Section 504 plan.

For seniors who are eligible to graduate and are assigned to DAEP at the time of graduation, the placement in the program shall continue through graduation, and the student may not be allowed to participate in the graduation ceremony and related graduation activities depending on individual student circumstances including but not limited to the severity of placement behavior, behavior while in DAEP, etc.

## **Placement Review**

A student placed in DAEP shall be provided a review of his or her status, including academic status, by the campus behavior coordinator or the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent/guardian shall be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

## **Additional Misconduct**

If during the term of placement in DAEP the student engages in additional misconduct for which placement in DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator may enter an additional disciplinary order as a result of those proceedings.

## **Notice of Criminal Proceedings**

When a student is placed in a DAEP for certain offenses, the office of the prosecuting attorney shall notify the district if:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (See **glossary**.), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty or found that they did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent/guardian not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent/guardian, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent/guardian may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent/guardian, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent/guardian may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

## **Withdrawal During Process**

When a student violates the district's Code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the campus behavior coordinator may complete the proceedings and issue a placement order. If the student re-enrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement served by the student during enrollment in another district. If the campus behavior coordinator or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

## **Newly Enrolled Students**

The district shall continue the DAEP placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district.

## Expulsion

A newly enrolled student with a DAEP placement from a district in another state shall be placed as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

If the student was placed in a DAEP by a school district in another state for a period that exceeds one year, this district, by state law, shall reduce the period of the placement so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees, or the extended placement is in the best interest of the student.

## Emergency Placement Procedure

When an emergency placement is necessary because the student's behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

## Transition Services

In accordance with law and district procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a DAEP. See policy FOCA(LEGAL) for more information.

## Placement and/or Expulsion for Certain Offenses

This section includes two categories of offenses for which the Education Code provides unique procedures and specific consequences.

### Registered Sex Offenders

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the district must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the placement shall be in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the placement may be in DAEP or JJAEP for one semester or the placement may be in a regular classroom. The placement may not be in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. It is not in the best interests of the district's students.

## Review Committee

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the

## Expulsion

student's placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be done by the ARD committee.

## Newly Enrolled Student

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

## Appeal

A student or the student's parent/guardian may appeal against the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

## Certain Felonies

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student may be expelled and placed in either DAEP or JJAEP if the board or campus behavior coordinator makes certain findings and the following circumstances exist in relation to aggravated robbery or a felony offense under Title 5 (See **glossary**.) of the Penal Code. The student must:

- Have received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense.
- Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense.
- Have been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense.
- Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense: or
- Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred.
2. The location at which the conduct occurred.
3. Whether the conduct occurred while the student was enrolled in the district; or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

## Hearing and Required Findings

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers.
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the district's students.

Any decision of the board or the board's designee under this section is final and may not be appealed.

## Length of Placement

The student is subject to the placement until:

1. The student graduates from high school.
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

## Placement Review

A student placed in a DAEP or JJAEP under these circumstances is entitled to a review of his or her status, including academic status, by the campus behavior coordinator or board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall have the opportunity to present arguments for the student's return to the regular classroom or campus.

## Newly Enrolled Students

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.

## Expulsion

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (See **glossary**.)
2. Intent or lack of intent at the time the student engaged in the conduct .
3. The student's disciplinary history.
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

## Discretionary Expulsion: Misconduct That May Result in Expulsion

Some of the following types of misconduct may result in mandatory placement in a DAEP whether or not a student is expelled. (See **DAEP Placement**)

### Any Location

A student **may** be expelled for:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or a student who is 18 years of age or older without the student's consent.
- Conduct that contains the elements of assault under Penal Code 22.01(a)(1) in retaliation against a school employee or volunteer.
- Criminal mischief, if punishable as a felony.
- Engaging in conduct that contains the elements of one of the following offenses against another student:
  - Aggravated assault
  - Sexual assault
  - Aggravated sexual assault
  - Murder
  - Capital murder
  - Criminal attempt to commit murder or capital murder
  - Aggravated robbery
- Breach of computer security (See **glossary**.)
- Engaging in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school.

### At School, Within 300 Feet, or at a School Event

A student **may** be expelled for committing any of the following offenses on or within 300 feet of school property, as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:

- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of marijuana, a controlled substance, or a dangerous drug, if the conduct is not punishable as a felony. ## **Under Age Ten**

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled, but shall be placed in a DAEP. A student under age six shall not be placed in a DAEP unless the student commits a federal firearm offense.

## **Process**

If a student is believed to have committed an expellable offense, the campus behavior coordinator or other appropriate administrator shall schedule a hearing within a reasonable time. The student's parent/guardian shall be invited in writing to attend the hearing.

Until a hearing can be held, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

## **Hearing**

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district,
2. An opportunity to testify and to present evidence and witnesses in the student's defense, and

3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of family and Protective Services (foster care), or
6. A student's status as homeless.

If the student is expelled, the board or its designee shall deliver to the student and the student's parent/guardian a copy of the order expelling the student.

Not later than the second business day after the hearing, the Superintendent or Superintendent's designee shall deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order shall give notice of the inconsistency.

### **Length of Expulsion**

The length of an expulsion shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year, except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

### **Withdrawal During Process**

When a student has violated the district's Code in a way that requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

## Expulsion

If the student then re-enrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the campus behavior coordinator or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

### **Additional Misconduct**

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator or the board may issue an additional disciplinary order as a result of those proceedings.

### **Restrictions During Expulsion**

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

### **Newly Enrolled Students**

The district shall continue the expulsion of any newly enrolled student expelled from another district or an open-enrollment charter school until the period of the expulsion is completed.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district shall reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

### **Emergency Expulsion Procedures**

When an emergency expulsion is necessary to protect persons or property from imminent harm, the student shall be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

**Under the influence** means lacking the normal use of mental or physical faculties. Impairment of a person's physical or mental faculties may be evidenced by a pattern of abnormal or erratic behavior, the presence of physical symptoms of drug or alcohol use, or by admission. A student "under the influence" need not be legally intoxicated to trigger disciplinary action.

**Use** means voluntarily introducing into one's body, by any means, a prohibited substance.

**Zip gun** is defined by Penal Code 46.01 as a device or combination of devices, not originally a firearm, but adapted to expel a projectile through a smooth-bore or rifled-bore barrel by using the energy generated by an explosion or burning substance.
