# District and School Quality Reports

Our aspiration in Crowley ISD is to ensure that all students have access to a GREAT SCHOOL and are provided excellent educational experiences so that they achieve their full potential. When our students graduate from Crowley ISD, they will leave with more than a diploma. They will leave with choices and opportunities. We designed this School Quality Report (SQR) to highlight metrics that matter and to share with our community the areas of progress, the areas of opportunity, and the comprehensive quality of each school in Crowley ISD. This SQR is our effort to increase transparency by synthesizing the quantitative metrics with qualitative parent voices to provide a complete assessment of school quality.
