PRINCIPAL SPOTLIGHT

SHAUNDA GARRISON
BESS RACE ELEMENTARY

“Being a principal, stems from a combination of **passion for education**, and the **desire to inspire**. I desire to create an environment where **all students and staff thrive** at high levels.”

PRINCIPAL SPOTLIGHT

KALI SALEH
SYCAMORE ELEMENTARY SCHOOL

“I became a principal because **school was a safe place for me**, and I want to create that same environment for all students. I lead with love, building a community where **everyone feels valued, supported, and safe to thrive**. I'm also passionate about helping teachers become the best versions of themselves so they can **inspire and grow alongside their students**.”

PRINCIPAL SPOTLIGHT

JOSEPH CATO

SUMMER CREEK MIDDLE SCHOOL

“

My purpose for becoming a principal is rooted in a **deep passion for leading a campus that elevates all stakeholders—students, staff, families, and the broader community.** I am driven by the vision of fostering an environment where everyone can grow, collaborate, and thrive together, ensuring **that every voice is heard**, and every effort contributes to our collective success.

— “

PRINCIPAL SPOTLIGHT

DR. ANDREA ROBINS

H.F. STEVENS MIDDLE SCHOOL

“

I wanted to become a principal because **I loved being a classroom teacher** and I wanted to be in a position to do all I could to **empower and assist other teachers and students.**

— “

PRINCIPAL SPOTLIGHT

DR. MARKEBA WARFIELD

CROWLEY HIGH SCHOOL

“

My spiritual gifts include **helping people and leadership**. I chose the principalship as a route to **walk in a purpose** already designed for me, and those around me to flourish.

— “

PRINCIPAL SPOTLIGHT

DR. MARIO LAYNE

NORTH CROWLEY HIGH SCHOOL

“

Had it not been for passionate educators that believed in me and God's grace, I wouldn't be where I am today. Therefore I believe **I have an obligation to pour into the next generation as much or more than it was given to me**. As a principal, I have the opportunity to have that impact on a large scale.
