**School Quality Reports Summary**

The School Quality Reports are designed to share each school's progress, opportunities and overall quality in Crowley ISD. As a district, these metrics are crucial. A collection of parents, students, staff and community members determined the metrics based on what matters most to them. The district’s goal is to increase transparency by combining quantitative metrics with qualitative feedback from parents. This comprehensive approach to assessment provides a complete and transparent view of school quality relying on metrics that matter most. Every campus has conducted a Zoom meeting with parents and staff to review the School Quality Reports. The reports, along with video of each meeting, can be found at [www.crowleyisdtx.org/our-district/school-quality-reports](http://www.crowleyisdtx.org/our-district/school-quality-reports).
