Dear school leader,

The development of TASB's 2024-26 Advocacy Agenda is well underway. Our Advocacy Agenda is created by members — and for members — to advocate for public schools at the state Capitol and beyond.

The work started earlier this year with Grassroots Meetings, where you and other trustees identified your regional priorities to submit for the statewide slate of priorities. **Now, it's time for your board to submit resolutions on issues that are specific to your district or community.**

Resolutions due June 17

Your board must approve any proposed resolution, so put an item on your board agenda before the deadline. The submission period closes June 17 at 11:59 p.m.

Use the online form at tasb.org/submit-resolution. You may submit more than one resolution, and you must complete the form separately for each resolution.

To learn more, see our How to Submit an Advocacy Resolution page at tasb.org/submit-resolution.

Note: All current resolutions will expire at the conclusion of the 2024 Delegate Assembly. If there is a resolution your board would like to see continue into the next Agenda, you must submit that resolution. You can view the current Advocacy Agenda at tasb.org/advocacy/what-is-tasb-advocacy-agenda.

Save the date for Delegate Assembly

The final step to adopting the 2024-26 Advocacy Agenda is the 2024 Delegate Assembly. Make sure your board has a Delegate to participate in the debate and, most importantly, the vote. **Delegate Assembly will be held Sept. 28, in conjunction with txEDCON24 in San Antonio.** We will share more details about registration in the coming months. Until then, start discussing with your fellow board members who should be your representative at the Assembly.

Enclosed is an infographic explaining how the Advocacy Agenda is created. I encourage you to share this with your board.
